Gene, K5PA SKCC #1240, earns WASC Award #97

Gene has shown commitment to the ideals of the SKCC as the recipient of the SKCC Worked All States Centurion (WASC) Award #97.

K5PA submitted a log and application listing contacts with Centurion SKCC members from all 50 States of the United States.

Endorsements of this type are recorded in the SKCC Worked All States Centurion database for all group members to see and admire.

Duly approved, recorded and published.

I set forth my hand and key.
